Program Objectives

Health Care Aides are a core member of the health care team in the continuing care sector. An adequate supply of appropriately trained health care aides is a key component of a continuing care sector that provides safe, quality care to its clients.

Recognizing this need, the **Government of Alberta Health Care Aide Program** was developed for delivery by training providers. The Academy of Learning has supplemented this government program with First Aid, the prestigious Lou Tice "Thought Patterns for a Successful Career", and "Job Search and Resume Writing" Skills along with job placement assistance.

Program Duration

The program duration is 20 weeks full time. This program includes 3 practicums - Preceptored Clinical Practice, Preceptored in Facility, and Supervised Clinical Practice.

FREE Training for eligible unemployed Albertans.

Career Opportunities

Graduates have the opportunity to seek employment in the following settings:

- Continuing Care Facilities
- Retirement Homes
- Hospitals
- Day Programs
